GRAFTON CULTURAL COUNCIL SEEKS FUNDING PROPOSALS 2021

Do you have a project that you want to bring to the Grafton community or schools this coming year? If so, consider applying for a grant to offset the costs.

Proposals for community-oriented arts, humanities, and science programs should be submitted by November 16th, 2020. Organizations, schools, and individuals may apply for grants that support cultural activities in the Grafton community. Such activities include exhibits, festivals, field trips, concerts, workshops, short-term artist residencies, or performances in schools, workshops, and lectures.

The application process is online. Applicants may access the online application beginning October 1 at www.mass-culture.org. Refer to this website also to view the Town of Grafton's priorities for offering grants and any applicable restrictions.

The **Grafton Cultural Council** is part of the LCC Program, the largest grassroots cultural funding network in the nation, supporting thousands of community-based projects in the arts, sciences, and humanities every year. The state legislature provides an annual appropriation to the Massachusetts Cultural Council, a state agency, which then allocates funds to each community.
